

THE MUNK SCHOOL OF GLOBAL AFFAIRS PRESENTS

(In)securitization:

Munk School faculty map themes and interventions for understanding our new world of insecurity

Has global governance been configured as a project of security, as distinct from earlier concepts of “freedom” or “peace”? What value-systems (economic, political, ethical and ecological) inform contemporary global security and insecurities? And what media — what channels, conduits, technologies — enable new networks of global governing?

Wednesday
April 19, 2017

Panels: 2 – 4 PM

Reception: 4 – 5 PM

Campbell Conference Facility,
Munk School of Global Affairs,
South House

1 Devonshire Place

Toronto M5S 3K7

Registration:

<https://insecuritization.eventbrite.ca>
