## *The University Pension Plan (UPP)*

---

### Did you know that...

- your years of service in the current plan will be calculated under the current rules?
- your years of service under the UPP will be calculated under the UPP rules?
- the two will be added together when you retire?
- the jointly sponsored pension plan (JSPP) model is world famous?
- the increase in the “lower deck” (below the YMPE) calculation from 1.5% to 1.6% will help lower earners achieve higher pensions?
- the Supplemental Arrangement Plan (SAP) that UTFA negotiated will help higher earners if the current plan is converted to the UPP?

**Join us and learn more about why UTFA supports the UPP and what this change will mean for you.**
